Motion to approve the treasure report and pay invoices karl, second by Tom and  
approve by the board.

Lake Level report by Tom

Lake level was 203.4 feet. Many lake residents have commented that water levels have  
been well managed this year.

Water temperature meter that report to Wi-Fi for reporting to web site, Walter suggested  
a Bloom Sky meter that includes a photograph that is taken a set interval. The other  
comment meter is the Omega engineering.

Harvester Report Bob Hahn

There were a number of break downs on the harvester over the past month. A radiator  
and, hydraulic repairs were needed. The most complicated repair was to trace problem  
with oil pressure sensor in the Cummins diesel motor. The Cummins repair technician  
had to diagnose the problem. All repairs were completed.

Harvesters have been collecting 12-15 loads a day.

A worker from the Town of Saratoga reported that a roller was broken on the garage  
door of the bay that the Town uses. Bob will check to see what repair will be needed.

Water sampling report Karl

There was another localize blue green algae bloom. City of Saratoga want information  
to place in the kiosk at the beach ( all the needed information and illustrations can be  
found on the NYSDEC web site <http://www.dec.ny.gov/chemical/77118.html>). There will  
need to be more outreach on harmful algae blooms..

Water chestnut were hand harvested by Solitude and finished by the Lake stewards.

Karl took two stewards on the CSLAP lake sampling.

Motion to suspend the meeting by Dave and second by Tom approve the board.

Meeting was suspended to complete the public hearing on the draft budget. The budget  
hearing was called to order at 7:02. The 2017 budget was for \$ 415,750. The proposed  
expenditures for 2018 will be \$ 424,050.00. The increases will be used to fund more

lake steward and increase in insurance. No public comments motion to close by Dave and second by Tom ,motion was approved by board.

Motion to approved the draft budget by Walter, second by Karl, board approved the motion.

Larry Eichler from Darrin Freshwater Institute will start the annual plant inventory on August 22.

New Business

9th Street residents were concern about possible dock rules would not account for shared ownership of documents.

Also, there were comments that SLPID should have a clear mission statement and follow that guidance. SLPID has a a clear legislative purpose ststatement and clear legislative purpose.

Discussed annual board retreat meeting and Dave will check on a location.
