

AQUATIC INVASIVE SPECIES FLOATING CLASSROOM

on Saratoga Lake

Hosted by the Capital Region PRISM &
the Saratoga Lake Protection & Improvement District

Date: Wednesday, June 9th

Time: 10:00-11:30 am & 1:00-2:30 pm (2 sessions available)

Location: Saratoga Lake State Boat Launch
19 Roosevelt Drive, Saratoga Springs, NY 12866

Join the Capital Region PRISM and the Saratoga Lake Protection & Improvement District (SLPID) to learn about Aquatic Invasive Species (AIS) during NYS Invasive Species Awareness Week. Participants will learn about the threats of AIS, how to prevent the spread, and how to identify AIS in Saratoga Lake. The event will take place on a pontoon boat generously provided by Anthony & Joseph DiDonna of South Shore Marina on Saratoga Lake.

Boat Stewards at the boat launch will be providing additional information on how to prevent the spread of AIS when recreating. Stop by and say hello!

Registration Required

Email ljh257@cornell.edu to register.

Limit of 8 participants per session.
